# BEHAVIOR POLICY FORM

(PARENT COPY)

The SW Washington MESA program staff and partners would like your child to have the best experience possible while participating in the 2015 Summer Program. Thus, all participants must understand and follow the program guidelines and rules. These guidelines and expectations are in place to ensure the safety of your child and faculty/staff.

1. Listen to Campus faculty, staff and teachers.
2. Respect Summer Program faculty, staff, teachers and other summer program participants.
3. Respect campus property and facility property and all equipment.
4. Keep hands, feet, and other objects to yourself.
5. Follow all class room and lab rules.
6. Participate in the summer program activities.
7. Use an inside voice when indoors.
8. Clean up after yourself.
9. Stay with the group and follow all safety rules.
10. Be positive and have fun!

Should a participant choose not to follow any of these rules, these are the guidelines that the staff will follow to handle the situation:

**Step 1: Verbal Warning**

**Step 2: Time out or time away from the group.**

**Step 3: Meeting with the Center Director and Behavior report provided to parents.**

**Step 4: Parents will be notified to immediately pick up child.**

- In the event that a student engages in behavior which poses a threat of bodily harm to himself, others, or facility property, an immediate call to parents, or guardians will be made. Such behavior will warrant immediate dismissal from the program.
- Situations that will result in immediate meeting with the Center Director are: stealing, property damage, use of profanity, excessive violence (hitting, kicking, biting, etc.), and bullying.

Please review these rules with your child. Thank you in advance for your cooperation, and we hope to have a great summer!
